FARMERS' BULLETIN No. 1501.—NUT-TREE PROPAGATION:	
Introduction	1
Methods	2
Layering	2
Budding and grafting	5
Top-working nut trees	20
Care of grafts or buds	32
Selection and care of scions	35
Seed and stock selection	39
Persian-walnut stocks	40
Pecan stocks	40
Hickory stocks	41
Black-walnut stocks	41
Stocks for almonds	42
Stocks for other species	42
Equipment used in propagation	43
Summary	46
FARMERS' BULLETIN No. 1502.—COOPERATIVE LIVESTOCK SHIPPING ASSOCIATIONS:	
Reasons for cooperative shipping	1
Origin and extent of movement	2
Advantages of shipping associations	3
Form of organization and incorporation	3
The manager	5
Bonding the manager	6
Duties of members	6
Assembling a shipment	7
Marking	7
Selling livestock and prorating expenses	11
Expenses	12
Some practical results	13
Suggestions for cooperative shippers	15
Causes of failure	18
Summary	19
Appendix. By-laws for cooperative livestock shipping associations	21
FARMERS' BULLETIN No. 1503.—THE HORSE BOTS AND THEIR CONTROL:	
Kinds of botflies and where they occur	1
How horse bots cause loss	2
Seasonal history	5
Life history and habits	5
Factors which control botflies in nature	8
How to combat horse bots	9
Use of repellents	9
Protective devices	9
Removal of nose bots from the rectum	11
Destruction of botfly eggs	11
Administration of carbon disulphide to horses for the destruction of bots	12
Community effort in bot control	13
FARMERS' BULLETIN No. 1504.—SELF-FEEDING VERSUS HAND-FEEDING SOWS AND LITTERS:	
Pointers for profitable pig production	1
Outline of experiments	2
Summary of results	3
Additional results in subsequent development of pigs	6

FARMERS' BULLETIN NO. 1505.—GAME LAWS FOR THE SEASON 1926–27: A SUMMARY OF FEDERAL, STATE, AND PROVINCIAL STATUTES:
Officials from whom copies of game laws may be obtained ii
Federal protection of game 1
Review of legislation of 1926 3
Federal laws relating to migratory birds 6
Summary of laws relating to seasons, licenses, limits, possession, interstate transportation, and sale 9
State laws 10
Canada 36
Newfoundland 41
Mexico 41
Order permitting the killing of bobolinks, reedbirds, or rice birds 42
Imported game and game raised in captivity 42

FARMERS' BULLETIN NO. 1506.—STANDARD BREEDS AND VARIETIES OF CHICKENS: I. AMERICAN, ASIATIC, ENGLISH, AND MEDITERRANEAN CLASSES:
Introduction 1
American class 1
Plymouth Rock 2
Wyandotte 6
Rhode Island Red 8
Rhode Island White 9
Jersey Black Giant 10
Java 10
Dominique 11
Buckeye 12
Chantecler 12
Asiatic class 13
Brahma 14
Cochin 16
Langshan 18
English class 19
Orpington 19
Cornish 21
Dorking 23
Sussex 25
Red Cap 25
Mediterranean class 26
Leghorn 27
Ancona 31
Minorca 32
White-Faced Black Spanish 34
Blue Andalusian 35

FARMERS' BULLETIN NO. 1507.—STANDARD BREEDS AND VARIETIES OF CHICKENS: II. CONTINENTAL EUROPEAN, ORIENTAL, GAME, ORNAMENTAL, AND MISCELLANEOUS CLASSES:
Introduction 1
Continental European class 2
Polish 3
Hamburg 6
Campine 11
Buttercup 12
Houdan 13
Crevecoeur 14
La Fleche 15
Faverolles 15
Oriental class 16
Sumatra 17
Malay 17
Game class 18

FARMERS' BULLETIN No. 1507—Continued. Page
Ornamental class 22
Sebright Bantam 22
Rose-comb Bantam 22
Booted White Bantam 24
Brahma Bantam 24
Cochin Bantam 24
Japanese Bantam 27
Miscellaneous class 28
Sultan 28
Frizzle 28
Silkie 29
Mille Fleur Booted Bantam 29
FARMERS' BULLETIN No. 1508.—POULTRY KEEPING IN BACK YARDS:
Purpose of a back-yard flock 1
The breed to keep 3
Making a start 4
Selection of breeding stock 6
Incubation and brooding 7
Feeding the chicks 11
Raising bantams 14
Houses for laying stock 15
Yards for laying stock 21
Feeding for egg production 22
Growing capons 25
Problems of management 25
FARMERS' BULLETIN No. 1509.—BEAN GROWING IN NORTHERN IDAHO, EASTERN WASHINGTON, AND EASTERN OREGON:
Districts suited to bean culture 1
Factors favoring production 1
Advantages of growing beans 2
Maintaining soil productivity 2
Methods of production 3
Preparing the seed bed 3
Planting 4
Inoculation 6
Cultivation 6
Harvesting 8
Threshing 10
Marketing the crop 10
Kinds of beans grown 11
Improving the crop by seed selection 11
By-products 12
Production in competing areas 12
FARMERS' BULLETIN No. 1510.—ANTHRACNOSE AS A CAUSE OF RED-CLOVER FAILURE IN THE SOUTHERN PART OF THE CLOVER BELT:
Decline in red-clover culture 1
Anthracnose one cause of red-clover failure 1
History and distribution of anthracnose 2
Symptoms of the disease 3
Nature of injury the first season 3
Nature of injury the second season 6
Conditions affecting the spread of the disease 7
Control 7
Foreign and domestic red clovers 7
Experience at Arlington Experiment Farm with clover seed of various origins 9
Experience at State agricultural experiment stations 11
What is the remedy? 12
Development of resistant strains 13
Development of seed supplies 14
Fall rather than spring seeding 16
Cooperative effort necessary 16
Summary 17

XUM

	Page
FARMERS' BULLETIN NO. 1511.—FORAGE CROPS AND THEIR CULTURE IN NORTHERN NEBRASKA AND THE DAKOTAS:	
Scope of this bulletin	1
Conditions at the Redfield Field Station	3
The place of cultivated forage crops in the cropping system	4
Preparation of the seed bed for forage crops	4
Legumes	6
Annual hay and pasture grasses	23
Perennial meadow and pasture grasses	29
Coarse fodder and silage crops	32
Miscellaneous forage crops	40
The importance of good seed	45
FARMERS' BULLETIN NO. 1512.—PROTECTION OF BUILDINGS AND FARM PROPERTY FROM LIGHTNING:	
Desirability of protection	1
Record of lightning fires in Iowa, 1919–1924, inclusive	2
Methods and materials used in protection from lightning	3
Kind of equipment to choose	3
Materials used	4
Methods of installing equipment	9
Interconnection and grounding of the metal work of buildings	17
Specifications for installation of equipment	23
Copper-cable conductor	24
Galvanized steel star-section rod and fittings	25
Inexpensive equipment	26
Rules for protecting telephone and radio circuits from lightning	30
FARMERS' BULLETIN NO. 1513.—CONVENIENT KITCHENS:	
High points of kitchen planning	ii
How to read the plans	2
Size and shape of the kitchen	3
Relation of the kitchen to the rest of the house	5
Doors and windows	8
Artificial lighting	10
Floor, walls, and woodwork	11
Selection of large equipment	12
Stove	16
Sink	19
Worktable and cabinet	20
Serving table or shelf	20
Cupboards and storage closets	22
Refrigerator and cold cupboard	23
Work centers	24
Raw food preparation center	25
Cooking center	25
Serving center	25
Clearing away and dishwashing center	25
Laundry center	26
Dining alcove	26
Social corner	26
Utensils and supplies grouped at convenient centers	26
Remodeling the kitchen	27
FARMERS' BULLETIN NO. 1514.—CONTROL OF SUGAR-BEET NEMATODE BY CROP ROTATION:	
Distribution of the nematode	1
Life history of the nematode	2
How to determine nematode infestation	4
Source of infestation	6
Host plants of the nematode	7
General control methods	8
Prevention of infestation	8
Elimination of small infested areas	9
Practical control by crop rotation	9
Chemical agents ineffective	18
Organizing to control the nematode	20

FARMERS' BULLETIN No. 1515.—FUR LAWS FOR THE SEASON 1926–27: Page
Status of important fur animals 1
Muskrat 1
Skunk 2
Raccoon 2
Opossum 3
Interstate shipment of pelts 3
Review of legislation of 1926 4
Summary of laws 6
Federal laws 6
Laws of States 6
Laws of Canada 22
Laws of Newfoundland 26
Laws of Mexico 26
Officials from whom copies of fur laws may be obtained 27
FARMERS' BULLETIN No. 1516.—PRINCIPLES OF WINDOW CURTAINING:
Types of windows 1
Art principles applied to window curtaining 3
Lines 4
Proportion 5
Balance 6
Color 7
Texture and pattern 11
Kinds and uses of window curtains 12
Glass curtains 13
Side draperies 13
Valances 16
Draw curtains 18
Shades 19
Curtains for various windows 19
Group windows 19
Casement windows 20
Arched windows 21
Glass-paneled doors and side lights 21
Curtains for different rooms 22
Living room 22
Dining room 23
Bedroom 24
Kitchen 25
Methods of making curtains 26
Glass curtains and draw curtains 27
Side draperies 29
Valances 32
Mounting draw curtains 35
Shades 36
Curtain materials 37
FARMERS' BULLETIN No. 1517.—LOBLOLLY PINE PRIMER:
Why grow pines? [ii]
Growing loblolly pine as a crop 1
The tree and where it is found 1
Growth of the tree 4
Estimating the lumber in trees 7
Scaling logs 8
Timber production per acre 10
Thinning pines 11
Cutting 17
Value of the pine crop and profits 22
Protection of timber crops 23
Reforestation by nature 25
Sowing and planting loblolly pines 26

XUM

FARMERS' BULLETIN No. 1518.—ORCHARD IRRIGATION: Page
Selection of locations 1
Clearing and grading land 2
Locating the tree rows 2
Contour method of planting trees 3
Cost of water 4
Measurement of water 5
Irrigation layouts for orchards 6
Underground pipe systems 7
Methods of irrigating orchards 10
The furrow method 10
The basin method 16
The sprinkling method 18
Water requirements of orchards 19
Intercrops 22
Cover crops 24
Time and frequency of irrigation 24
Removal of excess water 26
Winter irrigation of orchards 27
FARMERS' BULLETIN No. 1519.—RABBIT SKINS FOR FUR:
Extent of the industry 1
Kinds of skins and their value 1
Killing and skinning 2
Stretching skins 4
Homemade stretchers 5
Drying and preserving 6
Sorting and grading 8
Marketing 9
Packing and shipping 10
Tanning 10
Salt-acid process 11
Salt-alum process 11
Trade names for rabbit fur 12
FARMERS' BULLETIN No. 1520.—SOY BEANS: CULTURE AND VARIETIES:
History of the soy bean 1
Climatic adaptations 3
Soil preferences 4
Varieties 4
Descriptions of varieties 5
Varieties recommended for different areas 11
Preparation of the seed bed 12
Fertilizers 12
Inoculation 13
Time of seeding 15
Methods of seeding 16
Rate of seeding 17
Depth of seeding 20
Cultivation 20
Soy beans in rotations 21
Soy beans in mixtures 22
Insect enemies of soy beans 25
Diseases of the soy bean 29
Other enemies of soy bean 33
FARMERS' BULLETIN No. 1521.—PROPAGATION OF GAME BIRDS:
Introduction 1
General requirements 1
Licenses 1
Site 2
Sanitation 3
Vermin control 3
Shipping game birds and their eggs 10
Liberating game birds in coverts 12
Improving coverts for upland game birds 12
Primary stock 13

FARMERS' BULLETIN No. 1521—Continued. Page
Ring-necked pheasants 13
Aviary, or fancy, pheasants 35
Bobwhite quail 36
Hungarian partridges 44
Native grouse 45
Wild turkeys 45
Wild ducks 46
Wild geese 53
Swans 55
FARMERS' BULLETIN No. 1522.—THE HOME FRUIT GARDEN ON THE NORTHERN GREAT PLAINS:
Introduction 1
Area and topography 2
Climatic features 3
Selection of site 4
Protection from wind 5
Cultural methods 7
Kinds and varieties of fruits 30
Planting plan for the home fruit garden 43
Summary and recommendations 45
Sources of additional information 47
FARMERS' BULLETIN No. 1523.—LEATHER SHOES: SELECTION AND CARE:
Shoe leathers 1
Sole leather 1
Upper leather 2
Shoe construction 7
How to select shoes 9
How to care for shoes 16
Repairing 16
Cleaning and renovating 17
Dyeing 18
Drying 18
Oiling and greasing 19
Waterproofing 19
Polishing 21
Protection against mildew 21
Protection against alkaline substances 21
FARMERS' BULLETIN No. 1524.—FARM POULTRY RAISING:
Economic position of farm poultry 1
Efficient marketing influences profit 2
Size of flock important 3
Breeds and breeding 3
Classes and standard weights 3
Breeding for egg production 5
Selection of female breeders 5
Selection of male breeders 7
Producing hatching eggs 7
Factors influencing fertility 8
Factors influencing hatchability 8
Incubation 8
Buying day-old chicks 10
Brooding 10
Rearing 11
Caponizing 13
Feeding chicks 13
Feeding market poultry 15
Feeding laying stock 16
Artificial lighting 18
Culling the laying stock 19
Housing the laying stock 20
Preparing eggs for market 23
Preparing poultry for market 24
Sanitation 26
Disinfectants 26
Predatory pests 27

FARMERS' BULLETIN NO. 1525.—EFFECTIVE HAYING EQUIPMENT AND PRACTICES:

Essentials in low-cost haying 1
Planning for the work of haying 2
Selection of haying equipment 2
Hay stackers 5
Hay sheds 14
Baling hay 15
Alfalfa mills 16
Miscellaneous haying equipment 16
Supplies and repair parts 19
Crew organization and duty 19
Crew organization and management in Idaho (alfalfa hay) 22
Crew organization and management in Montana (alfalfa hay) 23
Crew organization and management in Colorado (alfalfa hay) 24
Crew organization and management in Colorado (wild hay) 25
Crew organization and management in Colorado (mixed hay) 25
Crew organization and management in Nebraska (wild hay) 25
A low-cost method of handling stacked hay 26
